Dear Mr. Stocks:

Re: Surety Reduction, Red Rock Mine, S & S Mining, M/037/050, San Juan County, Utah

The Board of Oil, Gas and Mining approved the new \$1,650 form and amount of surety for the Red Rock mine site on October 26, 1989. We are able, at this point, to return the original \$15,000 surety to you.

To expedite the process, we have sent the \$15,000 Deposit Receipt, via Certified Mail, back to First Security Bank of Moab. The receipt is accompanied by a letter informing the Bank that the Division no longer claims any portion of this money.

Thank you for working so conscientiously with the Division on completing the reclamation at the Red Rock site. Also, thank you for putting the extra effort into reclaiming areas of the site that were not in the original reclamation agreement. The Division appreciates your desire to do a thorough job.

Sincerely,

Lowell P. Braxton  
Associate Director, Mining
